Sir:

COMMUNICATION

In reply to the Office Action dated March 27, 2003, please amend the application
as follows:

IN THE SPECIFICATION:

Please amend the specification to read as follows:

Page 31, insert after paragraph 6:

E₁ --FIG. 82 is a further embodiment of a cervical spine single locking plate for use in
stabilizing multiple segments of the spine.--.

REMARKS

In response to the Communication dated March 27, 2003, Applicant amended
the specification to include a brief description of Fig. 82 to correct the inconsistency
between the drawings and the Brief Description of the Drawings. The amendment to
the specification is at least supported by U.S. Provisional Application No. 60/037,139,
